EDUCATION

Université de Montréal

Bachelor's Degree in Computer Science

Montreal, QC

September 2024 – Present

Cégep Ahuntsic

DEC in Business Management

Montreal, QC

August 2021 – May 2024

EXPERIENCE

EduQlasse Interactive Lab – Faculty of Education, UdeM

Programmer – AI, Web Development and Simulations

Montreal, QC

March 2026 – Present

- Developing *Calculus Buddy*, an AI-powered learning platform for CEGEP/university students featuring real-time targeted feedback and difficulty-adaptive question banks covering differentiation rules.
- Integrating AI components (intelligent tutoring, automated feedback) and building interactive simulations in collaboration with mathematics professors and researchers.

PROJECTS

Youth Mental Health AI (Mila Hackathon) | Python, RoBERTa, Cohere, HuggingFace

March 2026

- Built a bilingual (EN/FR) risk detection system for Kids Help Phone achieving an F1 score of 88% via a stacked RoBERTa classifier + Cohere LLM judge architecture.

AI Email Automation Agent | Python, AI APIs, n8n

2026

- Built an AI agent to summarize emails, detect intent, and suggest responses with automated workflow classification via n8n.

AMC Location Car Rental Website | Next.js 14, TypeScript, Tailwind CSS

2026

- Designed a responsive car rental website with booking calendar, dynamic pricing, and JSON-based reservation storage.

ACHIEVEMENTS & INVOLVEMENT

UdeM Game Jam 2026 — 1st Place

Université de Montréal

Mar. 2026

Montreal, QC

- Won 1st place developing *Opération Diplôme*, a browser-based 2D game built in 48h with JavaScript/PixiJS.

UdeM Artificial Intelligence Club and Cybersecurity

Active Member

Jan. 2025 – Present

Montreal, QC

TECHNICAL SKILLS

- **Programming:** Python, Java, JavaScript, TypeScript, HTML/CSS, C
- **AI & ML:** LangChain, RAG, RoBERTa, HuggingFace, Cohere
- **AI Tools:** Claude Code, Cursor, GitHub Copilot, n8n
- **Design & Modeling:** Adobe Photoshop, Adobe Premiere Pro, Adobe After Effects, Figma
- **Frameworks:** React, Next.js, Streamlit, Tailwind CSS, PixiJS
- **Tools:** Git, VS Code, IntelliJ, Quartus, Excel, Vercel
- **Languages:** French, English, Arabic
